

17th ILAB Breslauer Prize for Bibliography The new Prize Jury has been established!

The ILAB Breslauer Prize for Bibliography, worth 10.000 \$, is one of the most prestigious prizes in the field of bibliography. Every fourth year it detects and awards a particularly significant reference work within a selection of scholarly books about books published in the previous years.

The 17th ILAB Breslauer Prize for Bibliography will be awarded in 2018 to one or more books published in any language and in any part of the world between 2014 and 2017. Any work submitted to the Prize must be a published book available on the market. The prize jury will admit all publications relating to bibliography in a very broad sense (textual bibliography, history of the book, bookbinding, papermaking, type-founding, library catalogues, short-title catalogues of a single author or typographer, etc.). The jury will not take into consideration ebooks and catalogues of books intended for sale and translations of previously published works. The books can be submitted to the prize at any time but latest by the end of April in 2017 by sending a single copy to the Prize Secretary Fabrizio Govi.

The Jury for the 17th ILAB Breslauer Prize for Bibliography has been newly established and is already at work. It is formed by:
